

# List of guidance from ECDC and important publications on COVID-19

Weekly Digest 26 August 2020

### **Publications**

Population-wide testing of SARS-CoV-2: country experiences and potential approaches in the EU/EEA and the United Kingdom. Technical report – 19 August 2020. Read more »

Rapid Risk Assessment: Coronavirus disease 2019 (COVID-19) in the EU/EEA and the UK – eleventh update: resurgence of cases. Risk assessment – 10 August 2020. Read more »

**COVID-19** in children and the role of school settings in **COVID-19** transmission. Technical guidance – 6 August 2020. Read more »

**Communicable disease threats report, 16-22 August 2020, week 34.** Communicable Disease Threats Report (CDTR) – 21 August 2020. Read more »

ECDC has a dedicated page with all scientific advice publications. Read more »

Translated guidance and infographics on COVID-19. Available in 26 languages. Read more »

## **Situation updates on COVID-19**

Daily situation update for the EU/EEA and the UK. Read more »

Daily situation update worldwide. Read more »

Situation dashboard: Interactive map with the latest available data on COVID-19. Read more »

Weekly COVID-19 country overview. From 21 August 2020. Read more »

Weekly surveillance report on COVID-19. From 21 August 2020. Read more »

COVID-19 data: Download today's data, data collection, sources (Worldwide, EU/EEA and UK regional data) and interpretation of data. Read more >>

Current risk assessment on COVID-19. From 10 August 2020. Read more »

## Latest evidence, Preparedness, Surveillance, Testing strategies, Laboratory support

**Latest Evidence on COVID-19** — <u>General background of SARS-CoV-2</u>, <u>epidemiology</u>, <u>transmission</u>, <u>clinical characteristics</u>, diagnostic testing and screening, immune responses and immunity, <u>vaccines and treatment</u>. Latest update August 2020. <u>Read more</u> »

**Prevention and control –** measures, monitoring of response activities, patient and case management. Read more »

EU level surveillance of COVID19 - Case definition, surveillance definitions, surveillance and study protocols. Read more »

**Preparedness for COVID-19** – Publications and quidance for preparedness planning. Read more

**Testing strategies -** Patients requiring diagnostic testing. Read more »

Laboratory support - Laboratory support by specialized laboratories in the EU/EEA. Read more »

## Facts about COVID-19

**Q & A on COVID-19 –** Questions and answers. Read more »

Infographics and leaflets - Infographics, leaflets and posters on COVID-19. Read more »

Videos on COVID-19 - What do we know about the COVID-19. Read more »

Webinars and Podcasts on COVID-19 - Webinars and discussions on COVID-19. Read more »

**Event background -** An overview on the origin of the cases of COVID-19 infection. Read more »

## **Training**

ECDC Virtual Academy (EVA) — COVID-19 Micro learning for public health professionals. Read

Online micro learning activities on non-pharmaceutical countermeasures in relation to COVID-19. Event E-learning course. 20 Feb 2020 - 31 Dec 2020. Read more »

## **Important publications**

## Peer-reviewed and important publications

This list is based on a selection from 2036 articles published from 19 to 25 August 2020
